for justice provides free resources to educators, teachers, administrators, counselors, and other practitioners who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum to inform their practices and to create civil and inclusive school communities where children are respected and valued.  

Introduction to Sociology adheres to the scope and sequence of a typical introductory sociology course in addition to comprehensive coverage of core concepts foundational to sociology. We have incorporated engaging questions and discussions that help students apply the sociological imagination.
