**NCLEX-RN® EXCEL, Second Edition** May 17 2020 Promotes mastery of the more challenging 2016 exam! This ultimate NCLEX-RN® review book
that “helps you think like a nurse” has been fully updated to incorporate the 2016 test plan. Including more complex case studies to reflect the
difficulty of the exam, this comprehensive review encourages active learning to master the content. Each evolving case study is broken down into
realistic clinical problems that students can solve only by using the critical thinking skills necessary for the NCLEX-RN exam. Interspersed with over
700 interactive questions and rationales, audio-based questions, and electronic learning resources, the case studies mimic real-life nursing situations
and provide models to help students problem-solve when taking the actual test. The review is presented in an enjoyable format without the drudgery
of question after unrelated question or medical terminology flashcards. Multiple-choice questions, select all that apply, hot spots, matching, true and
false, prioritizing, gaming, and calculations replicate the actual NCLEX-RN exam and keep students engaged throughout the review process. Each
nursing specialty features a chapter on its specific pharmacology principles, culminating in a stand-alone chapter solely dedicated to reviewing
pharmacological principles. Beyond its utility as an exam review, this resource is also a unique case study book designed to assist instructors in delivering content in an innovative format. New to the Second Edition: Fully updated to mirror the new 2016 test plan Reflects new changes in nursing, including prioritization, delegation, room assignment, The Joint Commission competencies, work-arounds, Situation, Background, Assessment, and Recommendation (SBAR) reporting, and value-based care More in-depth case studies to reflect greater exam complexity New chapters on gerontology nursing, men’s health, and veterans’ health New question types, including audio-based New e-learning component New responses to questions are defined by test plan categories and difficulty level Adds many new interactive questions and answers Key Features: Uses unfolding case study approach, integrating all patient care content areas with practice and professional roles Mirrors NCLEX test blueprint Offers an enjoyable study option distinct from traditional Q & A Provides over 700 questions and answers using varied NCLEX question styles Includes references at the end of chapters for self-remediation NCLEX-RN® is a registered trademark of the National Council of State Boards of Nursing, Inc. Test names are the property of the respective trademark holders, none of whom endorse or are affiliated with Springer Publishing Company.

NCLEX-RN EXCEL Aug 12 2022 NCLEX-RN/E EXCEL-Learn to think like a nurse on the exam. NCLEX-RN/E EXCEL contains the single most effective preparatory tool for success on the exam: the unfolding case study review. Based on the successful NCLEX-RN EXCEL methodology used in the Drexel University program, this is the only review book to utilize the unfolding case study approach to help you master test content. This approach promotes interactive learning through case vignettes and simulation environments, providing a clear, conceptual basis for test content. The unfolding case studies closely mimic real-life situations in nursing, providing situational models that assist students to problem solve, actively engage, and use critical thinking techniques when taking the actual test. Unlike all competing books, this book helps you to contextualize the information you need to pass the test. This innovative methodology is more effective than just practice questions alone, and has resulted in exceedingly high success rates. Key features: A systematic review of content from the new client needs test plan and the updated 2010 test blueprint Skill development in assessment, planning, and evaluation of patient care Rapid Response Tips (RRT) to help master content quickly and easily Key knowledge required for the test built into engaging case vignettes Pharmacology and medication administration principles incorporated into each chapter Full explanations of test answers at the end of each chapter If you want to get past the drudgery of flashcards, endless practice questions, and test-taking tricks-if you want a deeper understanding of the test material-get NCLEX-RN/E EXCEL.
