highly respected educator of social work licensure candidates Covers all the content areas on the masters examinations, including new content added in 2015 Begins with a self-assessment section to help identify areas of strength and weakness Offers a wealth of test-taking tips and strategies to foster exam confidence Includes a practice test (with explanations of the correct answers) that mirrors the exam ASWB® is a registered service mark of the Association of Social Work Boards, which neither sponsors nor endorses this product. “This study guide is an excellent aid in preparing for boards and other psychiatry exams and in reinforcing your knowledge. It offers chapter overviews of Synopsis, Tenth Edition and over 1,600 multiple-choice questions with discussions of correct and incorrect answers”–Provided by publisher.

Print+CourseSmart It’s a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zervek, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! AppleIcon for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and are separated by content area, so you can create a customized review experience based on your personal study needs. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporates important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan. About Accepted, Inc. Accepted, Inc. is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our ATI TEAS Version 6 bookbased on what research has shown to be the most effective, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our TEAS 6 test prep manuals specifically tailored for your exact needs. Our goal here at Accepted, Inc. is to help you: Study Smarter; We’ve eliminated the filler; and fluff; you see in a lot of mass-market guides, allowing you to have more effective study time. Score Higher; We exclusively work with tutors, teachers, and field experts to write our books. This ensures you get the tips, takeaways, and test secrets that a one-on-one tutoring experience provides. Unlike a tutoring session, however, our books enable you to prepare for your exam on your own schedule at a fraction of the cost. And Get Accepted! We offer the path of a complete set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams! This extensively updated textbook is a comprehensive study guide that covers pediatric critical care principles and specific disease entities commonly encountered by the pediatric critical care medicine (PCCM) practitioner. Pathophysiological aspects unique to the pediatric patient are emphasized. The first edition has become a highly utilized test for pediatric critical care fellows. The second edition will prove even more valuable to the fellow in-training and indeed to any clinical pediatric intensivist. In addition to updating the chapters from the previous edition, there are new chapters on topics such as central nervous structure and function, palliative care, child abuse and trauma, and pharmacology. The large number of illustrations complements the text in each chapter that also includes key references and case-oriented questions that help reinforce important ideas learned in the chapter. "Includes 8 real SATs and official answer explanations"–Cover. "Includes 8 real tests and official answer explanations"–Cover. Test your knowledge and know what to expect on A+ exam day ComptIA A+ Complete Practice Test. Second Edition enables you to hone your test-taking skills, focus on challenging areas, and be thoroughly prepared to ace the exam and earn your A+ certification. This essential component of your overall study plan.
