Activities for Elementary School Social Studies Oct 10 2019 According to Piaget, all higher-order thinking skills have their bases in activities involving concrete manipulation and observation. The third edition of this highly regarded collection of social studies activities continues to be based on the premise that children learn best through experiences and activities—learning by doing. It features new activities for each social studies category (geography, history, anthropology, sociology, economics, political science, and interdisciplinary). Three important new additions to the key elements of the easy-to-follow activity format make it easier for instructors to meet standards-based curriculum requirements: A detailed treatment of National Council of Social Studies standards addressed; specific multiple intelligences addressed (also reinforced by a multiple intelligences section in the back of the book); and useful Web site(s) for group/individual research (URLs for sites that will expand or enrich the learning experience for the activity). By engaging pupils in meaningful, worthwhile social studies activities, instructors can emphasize the processes of learning rather than the products, resulting in a richly rewarding experience for pupils and teacher alike.

All the Wrong Places Jul 11 2022 Three cheating girlfriends in a row have given skateboarder Brennan Cross the same excuse: he wasn't meeting their needs.
Desperate and humiliated, he goes to the professionals at the local sex shop for advice. Zafir Hamady, a sales clerk at Red Hot Bluewater, has an unusual theory: he doesn't think Brennan is a bad lover. In fact, he doesn't think Brennan is heterosexual. Or sexual at all, for that matter. He also can't stop thinking about Brennan. But even if he's right and Brennan really is asexual, that doesn't mean Zafir has a chance. Brennan's never dated a man, and Zafir's never met anyone who's game for a Muslim single father with a smart mouth and a GED. Brennan's always thought of himself as straight. But when sex is explicitly out of the mix, he finds himself drawn to Zafir for the qualities and interests they share. And Zafir can't help enjoying Brennan's company and the growing bond between Brennan and his son. They work well together, but with so many issues between them, doubts creep in, and Brennan's struggle with his identity could push away the one person he didn't know he could love.

The Burnt Toast B&B

Feb 06 2022

After breaking his arm on set, Wolf's Landing stuntman Ginsberg Sloan finds himself temporarily out of work. Luckily, Bluewater Bay's worst B&B has cheap long-term rates, and Ginsberg's not too proud to take advantage of them. Derrick Richards, a grizzled laid-off logger, inherited the B&B after his parents' untimely deaths. Making beds and cooking sunny-side-up eggs is hardly Derrick's idea of a man's way to make a living, but just as he's decided to shut the place down, Ginsberg shows up on his doorstep, pitiful and soaking wet, and Derrick can hardly send him packing. Not outright, at least. The plan? Carry on the B&B's tradition of terrible customer service and even worse food until the pampered city boy leaves voluntarily. What Derrick doesn't count on, though, is that the lousier he gets at hosting, the more he convinces bored, busybody Ginsberg to try to get the B&B back on track. And he definitely doesn't count on the growing attraction between them, or how much more he learns from Ginsberg than how to put out kitchen fires.

One year ago, actor Connor Montgomery lost the love of his life to a drunk driver. But what's worse for Connor is what he still has: a lifetime of secrets born of hiding his relationship from the glare of Hollywood. Unable to let go of the world he and Vinnie shared, Connor films a drunken YouTube confession on the anniversary of Vinnie's death. Thankfully, the video was silent—a familiar state for Connor—so his secret is still safe. He needs a fresh start, and a new role on the hit TV show "Wolf's Landing" might be just that. The move to Bluewater Bay may also mean a second chance in the form of his studio-assigned assistant. Noah Dakers sees through Connor's facades more quickly than Connor could imagine. Noah's quiet strength and sarcastic companionship offers Connor a chance at love that Hollywood's closet has never allowed. But to accept it, Connor must let Vinnie go and learn to live again.

"Hollywood is full of dirty secrets, but Carter refuses to be Levi's." Retired action star Levi Pritchard has made a quiet life for himself in the sleepy logging town of Bluewater Bay, Washington. But then Hollywood comes to film the wildly popular television series Wolf's Landing, and Bluewater Bay isn't so sleepy anymore. His retirement doesn't stick, either, because he's offered a part on the show—exactly the kind of complex role he'd always wanted, one that would prove him more than a glorified stuntman. The only catch? He has to stay in the closet—no matter how attractive he finds his costar. Carter Samuels is the critically acclaimed male lead on Wolf's Landing. And now, the man who inspired him to take up acting and made him realize he's gay is joining the cast, and sparks fly between them instantly. But Carter is out and proud and determined to stay true to himself. Remaining just friends is the only thing to do, as both the studio and Levi's disapproving, dysfunctional family keep reminding them. Except their friendship deepens by the day, tempting them with what they can't have but both desperately need.

Stuck Landing

For months, acclaimed Wolf's Landing director/producer Anna Maxwell has been nursing a crush on Natalya Izmaylova, a former
Russian gymnast and current Wolf's Landing stunt coordinator. When Anna witnesses Natalya's very public breakup with her boyfriend, she can't resist inviting her over for drinks to commiserate about love and all that nonsense. Commiseration doesn't last long, and soon Anna's in bed with the hottest woman she's ever touched, living out fantasies she didn't even know she had. Despite the amazing sex, Anna wants to proceed with caution. They're both newly single. They're colleagues. And there's the not-so-small matter of Anna's biphobia. Natalya won't commit to someone who clings to ridiculous stereotypes, but they can't avoid each other at work, and there's no ignoring their chemistry. Anna's defenses are slowly eroding, and Natalya is willing to give her another chance. But Natalya only has so much patience, and even scorching hot sex won't keep her coming back forever. If Anna doesn't come to her senses soon and let go of her prejudices—not to mention her insecurities—she's going to lose the woman of her dreams.
