Long before NESARA, a project was born to restore the United States of America to its original Constitution of the Republic, and to remove the structure of the Corporate United States. This project began in the early 1950's and involved intelligent and patriotic minds of both civilian and military background. These people over the years became known as the White Knights. Out of this restoration process came the Prosperity Programs, the Farmer Claims, and finally NESARA. The children of the wealthy families on our planet became concerned about the future of our civilization, when they observed the poverty, disease, starvation and suffering of the masses. They saw the imbalance between the wealth of the few and the destitution of the many, and agreed among themselves to try to correct it. One hundred of these wealthy children, who came to be known as “wealthy visionaries”, put one million dollars each, of their money, into investment programs in the 1980's called “roll programs” to generate funds to be used for humanitarian purposes. Thus, the Prosperity Programs were born. Gradually, news of this spread to the public and millions of people invested small amounts of their meager funds to aid in these various Prosperity Programs success. Also, during the 1970's and 1980's many U.S. farmers were losing their land, machinery, buildings, and cattle due to fraudulent foreclosures by the Federal Reserve Banks, in cooperation with the IRS. Many farmers joined forces and brought a class action lawsuit against the U.S. Government, the non-federal Federal Reserve Bank, and the IRS, for fraud against the farmers. Proves that the "straw man" referred to by freedom advocates exists, how it is created, how you become surety for it, and how to disconnect from it. Provides a clear understanding of the law governing electronic funds transfers, with emphasis on global and domestic wire transfers, ACH payments and consumer transactions. Concise analysis of U.C.C. REVISION 18 HIGHLIGHTS James Publishing is pleased to introduce new author Justice Gerald Lebovits. In this 18th Edition of New York Objections, Justice Lebovits builds upon the strong foundation of legal scholarship and practical instruction established by our longtime author, Justice Helen E. Freedman. Justice Lebovits has updated every chapter in the book with new and revised text, and has added hundreds of new citations to authority, including: 38 new cases on Jury Selection 87 new cases on Hearsay 48 new cases on Privileges 19 new cases on Demonstrative Evidence 57 new cases on Witness Examination 45 new cases on Summation The new text and cases cover a broad range of
evidence and potential objections, including objections related to: Voir Dire: permissible topics; time limits; discriminatory use of peremptory challenges. Opening Statements: personal attacks; inflammatory statements; failure to set forth a claim; settlement negotiations; repairs. Hearsay: testimonial hearsay in criminal prosecutions; declarations against interest; dying declarations; business, hospital and police records; state of mind. Privileges: scope of the attorney/client privilege; “fiduciary exception” to the attorney/client privilege. Real Evidence: challenges to the chain of custody; admissibility of photos of an accident scene or a victim. Documents: admissibility of photocopies, summaries, printouts; public documents; business records; electronic evidence. Witness Competency: infancy; lack of personal knowledge, mental impairment; intoxication. Expert Testimony re: accident reconstruction; construction and design; false confessions; medicine and law; safety; identification evidence, including blood, DNA and voice identification. Summation: referencing matters or demonstrative materials not in evidence; commenting on defendant’s failure to testify. Juror Misconduct: sleeping during trial; discussing the case before deliberations; conducting independent research; visiting the scene. When you don’t believe anything the government says about covid-19, the vaccine, or anything else, this is the book that confirms that you are not alone. The world’s governments are known for using deceptive practices in order to accomplish their agendas, but at what point do we question their ability to utilize reverse psychology to fool those who go against whatever the government acts as though it supports or is against? The purpose of the publication is to assist States in developing modern secured transactions laws with a view to promoting the availability of secured credit. The Guide is intended to be useful to States that do not currently have efficient and effective secured transaction laws, as well as to States that already have workable laws but wish to modernize their laws and modernize them with the laws of other States. Describes what we think of UCC Redemption theories For reasons why NONE of our materials may legally be censored and violate NO Google policies, see: https://sedm.org/why-our-materials-cannot-legally-be-censored/ The principles, maxims and precepts of Commercial Law are eternal, unchanging and unchangeable. They are expressed in the Bible, both in the Old Testament and in the New. The law of commerce -- unchanged for thousands of years -- forms the underlying foundation of all law on this planet, and for governments around the world. It is the law of nations, and of everything that human civilization is built upon. This is why Commercial Law is so powerful. When you operate at the level of Commercial Law, by these precepts, nothing that is of inferior statute can overturn or change it, or abrogate it, or meddle with it. It is the fundamental source of all authority, power and functional reality. Disillusionment is the dissolution of an illusion and a return to wonder, to innocence, and to truth. What is "the red pill"? The red pill is a term used in the movie The Matrix, to refer to "The undistorted truth." What distorts truth? False belief. The
phase "I don't believe it" implies that something is evident but that one does not or will not accept it because the evidence does not fit an existing belief (i.e., existing denial). "I don't believe it" is often the first thing someone says when he eventually accepts that which becomes obvious to him in due time. This information is presented not just to dissolve mistaken belief, but to provide information that may not be readily available to a person who is unaware. An allegory is the expression of truths about human conduct and experience by means of symbolic fictional figures and actions. Such was the movie The Wizard of Oz, an allegory of the state of affairs we now live in today—an allegory of the unfolding New World Order that was instituted in America via the stock-market crash of 1929 and the bankruptcy of the United States in 1933. The setting of this allegory is in Kansas—the "heartland" of America; the geographical center of the U.S.A. In came the twister—the whirling confusion of the Great Depression, the stock-market crash, the U.S. bankruptcy, and the theft of America's gold—that whisked Dorothy and Toto up into the New Order of the World; an artificial new dimension "somewhere, over the rainbow," above the solid ground of Kansas. When they landed in Oz, Dorothy commented to her little dog Toto: "Toto? I have a feeling we're not in Kansas anymore . . .."Exactly! This is a new release of the original 1940 edition. This reprint presents Modern Money Mechanics as it was originally published by the Federal Reserve Bank of Chicago in editions ranging from 1961-1992. The last revision, made in 1992, was most recently published in 1994. As a description of our money system since the time of the creation of the Federal Reserve, hard money advocates, political libertarians and others have found the content of this book damning and used it as part of a general critique of American fiat currency. This booklet has been cited by Gary North, Lew Rockwell, the U.S. and U.K. Libertarian parties and many others. It even features in YouTube videos. As a simplified model for fractional reserve banking, Modern Money Mechanics remains an excellent beginning, one that can be read in a single sitting and one that has the advantage of showing us the Federal Reserve presenting itself and its operations to a broad, mass readership. This book is for educational and entertainment purposes only. The ideas, concepts, processes and procedures discussed in these videos is not meant as legal advice. In order to effectively sail the Seas of Commerce it is critical to obtain a solid foundation in a number of areas such as: Operating in the Public and Private, Due Process, Records, Public and Private Trusts, Live Contracting to name a few. In addition, there is a necessary mind shift to remove oneself from? This private content within this book aims to simplify what is really happening by we the people, being oppressed engaging in the public legal system and to provide enablement on the major constructs that are operating in the public. It will be these constructs that will be key to understanding how to be effective in seeking resolution. For those who are currently engaged in the public legal system this book may shed some considerable light on processes involved and provide enablement on effective remedy. In addition, there are concepts that some may find hard to absorb but ultimately the approaches may be life changing for some. To effectively understand and build upon the foundational topics covered, you will need to completely rethink your position on: to fight, to create arguments, to win, to object to protest etc. When you need the Uniform Commercial Code at your fingertips for cites, use or ease for reference you will not want to be without this book. The entire UCC along with forms in this Supplemental to the Redemption Manual 5.0 Series. Join an American as he tries to make sense of the ruthless actions of his country's government. If you can't be safe in your own land, where can you be safe? The following information provided by Judge Dale (a retired federal judge) is extremely important for all Americans. Since the founding of our country, the 'elite' (and their Robber Baron partners) have fabricated our history, taken control of our economy and altered our form of government and legal system. The Judge describes the people and events responsible for America's current state of deterioration. It is critical that we come to understand and accept that what has passed for public education in America has merely been indoctrination. While the Judge's revelations are likely to cause cognitive dissonance in many, learning how our economic and legal systems really work is the only hope our society has to bring an end to the "Babylonian Slave" status currently being imposed on the 99%. Judge Dale exposes information that is not in our history books and reveals how we can best defend ourselves from the current parasitic corporate government and injustice system. But first people need enough courage to face some very inconvenient truths! Judge Dale also reveals that "The Illuminati are hell bent upon making Bible Prophecy come true and are responsible for much of the Biblical like devastation that has been
occurring around the Earth." We won't be able to stop them or even protect ourselves unless we understand their modus operandi. The Redemption Manual 5.0 Book 1 will teach you about the process that will take you from being a DEBTOR SLAVE ON THE PLANTATION to a SECURED PARTY CREDITOR - No small feat! This is the latest, 'Updated Edition' of the original Redemption Manual combined with the Free From Servitude book to give you an amazing read with great instructions. Here you will learn the fundamentals necessary to REDEEM your Strawman and take control of your DEBTOR and all property by filing a security interest and allow you to establish the standing and capacity as a Secured Party Creditor. It is the HOW TO BOOK that will teach you; What redemption is (commercially and from a 'Biblical perspective'), How Corporations fit into the scheme of things, Public Education, the Monetary System, the Republic, Money Creation and Banks, Your Mirror Image, and HJR-192. It will walk you through the entirety of the beginning documents set-up with forms and instructions. You will also be shown how to 'do your own' Security Agreement, Copyright Notice, Hold-Harmless Agreement, UCC-1 and UCC-3 to take back control of your 'Debtor/Straw-man' and all of the collateral and property. CompTIA Security+ Study Guide (Exam SY0-601) Basic checklist to achieve sovereignty and be a contributing Member of this ministry who can stand on his/her own two feet in defense of himself in any legal or administrative setting. "The Evangelical Catechism" is a valuable resource for pastors, new church members, and confirmation classes, and is widely used by United Church of Christ congregations. Originally authorized by the Evangelical Synod of North America (which brought the catechism into the twentieth century) it focuses on the following essentials: the Ten Commandments; the Attributes of God; the Apostles' Creed; prayer; the sacrament of Holy Baptism; and the Sacrament of the Lord's Supper. This revised edition has been refreshed with a more modern approach for United Church of Christ congregations in the twenty-first century. Who invented the traffic light? What about transportation itself? Farming? Art? Modern chemistry? Who made...cats? What if I told you there was ONE answer to all of these questions? That one answer? BLACK PEOPLE! Seriously. And this book is like a mini-encyclopedia, full of more evidence than WikiLeaks and just as eye-opening! Do you know just how much Black inventors and creators have given to modern society? Within the past 200 years, Black Americans have drawn on a timeless well of inner genius to innovate and engineer the design of the world we live in today. But what of all the Black history before then? Before white people invented the Patent Office, Black folks were the original creators and builders, developing ingenious ways to manage the world's changes over millions of years, everywhere you can imagine, from Azerbaijan to Zagazig! With wit and wisdom (and tons of pictures!) this book digs deeper than the whitewashed history we learn in school books and explores how our African ancestors established the foundation of modern society! Have you inherited this genius? What can you do with it? Inspired by solutions from the past, we can develop strategies for a successful future! "And the serpent case out of his mouth water as a flood after the woman and went to make war with her . . . to devour her." -- Revelation 12:15-17 and 12:4. The Endtime Beast is a system of law borrowed from the law of the sea implemented inland so that the "ecclesia" (the remnant) are forced into earnest demonstration. This system of law is patterned after the maritime trust that transfers the commercial interests of the people, called "suretyship," to alien strangers wherein commerce knows no bounds and is typified by a flood. The woman is non other than the real true bona fide seed of Abraham, Isaac, and Jacob -- their progeny of today. September 11, 2001, focused America's attention on the terrorist threat from abroad, but as the World Trade Center towers collapsed, domestic right-wing hate groups were celebrating in the United States. "Hallelu-Yahweh! May the WAR be started! DEATH to His enemies, may the World Trade Center BURN TO THE GROUND!" announced August Kreis of the paramilitary group, the Posse Comitatus. "We can blame no others than ourselves for our problems due to the fact that we allow ...Satan's children, called jews (sic) today, to have dominion over our lives." The Terrorist Next Door reveals the men behind far right groups like the Posse Comitatus - Latin for "power of the county" -- and the ideas that inspired their attempts to bring about a racist revolution in the United States. Timothy McVeigh was executed for killing 168 people when he bombed the Alfred P. Murrah Federal Building in 1995, but The Terrorist Next Door goes well beyond the destruction in Oklahoma City and takes readers deeper and more broadly inside the Posse and other groups that comprise the paramilitary right. From the emergence of white supremacist groups following the Civil War, through the segregationist violence of the civil rights era, the right-wing tax protest movement of the 1970s, the farm crisis of the 1980s and the militia movement of the 1990s, the book details the roots of the radical right. It also tells the story of men like William Potter Gale, a retired Army officer and the founder of the Posse Comitatus whose hate-filled sermons and calls to armed insurrection have fueled generations of tax protesters, militiamen and other anti-government zealots since the 1960s. Written by Daniel Levitas, a national expert on the origins and activities of white supremacist and neo-Nazi groups, The Terrorist Next Door is painstakingly researched and includes rich detail from official documents (including the FBI), private archives and confidential sources never before disclosed. In detailing these and other developments, The Terrorist Next Door will prove to be the most definitive history of the roots of the American militia movement and the rural radical right ever written.
